## AUGER KLEN

### GRAIN AUGER CLEANER

#### MATERIAL & FUNCTION

**Auger Klen** is a specialized highly active neutral detergent for the cleaning of Grain Augers.

#### APPLICATIONS

Dilute with potable water 20 to 40 mls per litre.

#### DIRECTION FOR USE

Fill the hopper with approximately 40 litres of water and add 800 mls of Auger Klen. Turn the auger on and allow the solution to flow through. Once the solution has gone through fill the hopper again with potable water and rinse.

#### CAUTION

*Avoid contact with skin and eyes and avoid breathing vapour or spray mist.*

#### PACKAGING

5 Litre, 15 Litre & 200 Litre containers

#### IMPORTANT NOTICE TO CUSTOMER

*Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product. Determining the suitability of this product for any intended use shall be solely the responsibility of the user. **ALWAYS TEST FIRST.***
