## AUTO GLEAM

### MATERIAL & FUNCTION

AUTO GLEAM is a concentrated liquid detergent specifically formulated for the cleaning of trucks, buses and other commercial vehicles. The product consists of a specially selected blend of surfactants which forms a high foaming solution capable of removing built on grease, road grime and dirt.

AUTO GLEAM has specialty ingredients added into the formulation to help give a streak free finish.

### APPLICATION

AUTO GLEAM is suitable for application via a foaming gun applicator or by hand application. With the hand application method, make a solution of 1 part AUTO GLEAM to 100 - 200 parts water, depending on the extent of soiling.

### PACKAGING

5 Litre & 200 Litre containers.

### IMPORTANT NOTICE TO CUSTOMER

*Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product. Determining the suitability of this product for any intended use shall be solely the responsibility of the user. **ALWAYS TEST FIRST.*** F:\TECHBULL\Auto Glean.doc
