## AUTO-MATE

### Concentrated detergent for vehicle washing

#### MATERIAL & FUNCTION

AUTO-MATE is a concentrated liquid detergent specifically formulated for the cleaning of trucks, buses, cars and other commercial vehicles. The product consists of a specially selected blend of surfactants, forming a high foaming solution capable of removing built on grease, road grime and dirt.

AUTO-MATE has specialty ingredients added to assist rinsing and provide a streak free finish.

#### APPLICATION

AUTO-MATE is suitable for application via a foaming gun or by hand application.

**CARS:** Apply AUTO-MATE at a rate of 2 to 5 mls per litre of hot water, depending on degree of soiling. Agitate the surface with a soft cloth, sponge or similar non-scratch device and rinse afterwards with clean water.

**TRUCKS:** AUTO-MATE may also be used as a pre-spray on grills etc where insects or road grime are heavily deposited, dilute at a rate of 30 to 50 mls per litre.

**WINDSCREEN:** Add 2 mls of AUTO-MATE to washer bottles for best results in on-road windscreen cleaning.

#### PACKAGING

5, 15, 120 & 200 Litre containers.

#### IMPORTANT NOTICE TO CUSTOMER
