B4 SPOTTING SPRAY

(For Laundry and Carpets)

MATERIAL & FUNCTION

B4 is a specialty blend of phosphates, surfactants and solvents which have remarkable soil dispersing characteristics and is used as a general spotting agent for removal of extra dirty marks without affecting the colour or fabric.

B4 will remove marks, spots and stains resulting from food, grease or body soils without rubbing or hard work. B4 is suitable for all fabrics in hot or cold water removing all those oily stains including beetroot, tomato sauce, butter, fat, egg etc. B4 is also suitable for removal of bloodstains.

APPEARANCE

A thin clear liquid with a slight vaporous solvent odour.

USES

B4 may be used for

- a) cleaning both wool & synthetic carpets
- b) as a laundry aid in the removal of those extra dirty marks and stains on garments

APPLICATION

Carpet Cleaning:

Spray B4 (without dilution) from jet spray directly onto soiled areas until the area is fully saturated. Rub stained area in a circular motion and then clean carpet in normal manner by shampooing or hot water extraction methods. For very greasy stains an application of S21 Multipurpose Cleaner may be of benefit.

Laundry aid:

1. Hold the spray about 20 cm away from the item.
2. Spray directly onto soiled areas while clothes are dry, until the stained area is saturated. It is not recommended that you saturate the entire garment with B4 Prewash Spotting Spray.
3. Wait for a few minutes before washing in the normal manner.
4. For very heavy staining, spray the stain again. For very greasy garments it is recommended to add 150 mL S21 Multi-Purpose Cleaner to the wash water.
5. Always do a spot test on delicate fabrics before applying B4 Prewash Spotting Spray.

PACKAGING

5 Litre, 15 Litre, 110 Litre & 200 Litre containers.

IMPORTANT NOTICE TO CUSTOMER

Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective.
