## BLUE BRITE POWDERED DETERGENT

### MATERIAL & FUNCTION

BLUE BRITE is a high quality, rapidly dissolving small article sized laundry powder for hand washing of clothes or top loading washing machines. It incorporates the freshness of lemon fragrance to leave clothes smelling super fresh after washing, and may be used in both hot or cold water and on all types of non-woollen fabrics. It may also be used in water where the dissolved hardness is over 800 ppm. The incorporation of brightening agents give whiter than white results to garments.

### APPEARANCE

Finely divided light blue powder with a lemon freshness and fragrance.

### USES

BLUE BRITE finds application in both domestic and commercial laundries for all types of fabrics except woollens and can be used in hard and soft water areas.

### APPLICATION

Use 100-150g for a normal (15kg) wash load increasing quantity to 200g for extra dirty loads or larger machines. For greasy clothes (overalls etc) add 150mL (1 cup) per wash of S21 MULTI PURPOSE CLEANER. For commercial laundries add 250-500g per 50kg clothes (dry weight). For specific spot and stain removal B4 prewash spotting spray should be applied to the garment prior to washing.

### PACKAGING

4kg, 15kg, 20kg, 180kg & 200kg containers.

### IMPORTANT NOTICE TO CUSTOMER
