COFFEE KLEN

HEAVY DUTY COFFEE MACHINE CLEANER

MATERIAL & FUNCTION

COFFEE KLEN is an oxygen bleaching powder, ideal for removing those difficult stains in coffee machines. It contains a safety bleach ingredient which minimizes corrosion due to the low pH. It also has an in-built sanitizing function.

APPLICATIONS

COFFEE KLEN is designed for use in coffee machines but it can also be applied to most food stains as a general cleaner.

DIRECTION FOR USE

DIRECTIONS:

Cleaning coffee machine parts: Add 1 teaspoon of COFFEE KLEN in the blind filter. Open the delivery valve for about 10 seconds and then close. Repeat at 20 second intervals until the water discharge is clean. Using a normal filter, rinse with water.

Cleaning of filters, cups, teapots: Dissolve 2 teaspoons per litre of boiling water. Soak for 20 minutes or until clean. Rinse thoroughly.

NOTE: BEST RESULTS ARE OBTAINED IN HOT WATER (above 60°C)

CAUTION:

Avoid contact with skin and eyes and avoid breathing dust or spray mist.

PACKAGING

1 kg containers

IMPORTANT NOTICE TO CUSTOMER

Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product. Determining the suitability of this product for any intended use shall be solely the responsibility of the user. ALWAYS TEST FIRST.
