CRATE KLEN CRATE WASHING CLEANER

MATERIAL & FUNCTION

CRATE KLEN is an efficient, non foaming alkaline cleaner for the removal of soil from plastic packaging crates used in the food and beverage industry. CRATE KLEN is compatible with both hard and soft water conditions and does not leave residual scale on treated surfaces.

APPLICATION

CRATE KLEN mixes rapidly with water and should be diluted at a rate of 3 ml per litre with either hot or cold water. A post wash rinse leaves the surface clean and free of residue.

CAUTION

CRATE KLEN is a strongly alkaline product which means that gloves and goggles should be worn when handling the concentrated product.

PACKAGING

15, 200 Litre drums and 1000L Bulki.

IMPORTANT NOTICE TO CUSTOMER

Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product. Determining the suitability of this product for any intended use shall be solely the responsibility of the user. ALWAYS TEST FIRST.
