ECO FRESH ENZYMATIC LAUNDRY POWDER

MATERIAL & FUNCTION

ECO FRESH is a new generation, premium laundry powder with excellent cleaning properties. It has been specifically designed to remove stubborn stains such as fats, blood, grass and any number of traditionally hard to remove marks.

ECO FRESH is excellent for both domestic and light industrial applications. **ECO FRESH** is safe on both white and coloured clothes.

APPLICATION

Add 1/4 of a cup of **ECO FRESH** to your wash load at the beginning of the cycle. It may be used in both cold and warm water settings.

NOTE

This product is not recommended for use on woollen or silk articles as some accelerated degradation of integrity may result.

PACKAGING

5 kg, 15 kg, 20kg & 200 kg pails.

IMPORTANT NOTICE TO CUSTOMER

*Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product. Determining the suitability of this product for any intended use shall be solely the responsibility of the user. **ALWAYS TEST FIRST.***
