ESCAPE LIQUID LAUNDRY BREAK WASH

MATERIAL & FUNCTION

ESCAPE is a high alkalinity laundry liquid designed for use in the 'Break' wash cycle in industrial and commercial laundries.

ESCAPE uses a special low foaming wetting agent to assist in the removal of heavy oil staining and increase the efficiency of the alkali in **ESCAPE**.

ESCAPE is suitable for use in food and meat export establishments.

APPLICATION

ESCAPE is a break detergent for use via automatic dosing or manual addition to washing machines in On Premises Laundries. **ESCAPE** should be dosed at 5ml of product per Kg of laundry.

PACKAGING

15 Litre, 110L, 120 Litre & 200 Litre containers.

IMPORTANT NOTICE TO CUSTOMER

*Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product. Determining the suitability of this product for any intended use shall be solely the responsibility of the user. **ALWAYS TEST FIRST.***
