EZI MULTI PURPOSE CLEANER

MATERIAL & FUNCTION

EZI MULTI PURPOSE CLEANER is a remarkable hard surface cleaning concentrate which has outstanding grease cutting action through the incorporation of a broad range of sequestrants, surfactants and alkaline cleaning components. These components are further boosted with a specialty solvent component to synergistically dissolve and emulsify almost any grease or grime which can be encountered. The extra alkalinity of **EZI MULTI PURPOSE CLEANER** provides increased grease cutting properties.

EZI MULTI PURPOSE CLEANER finds application in diverse areas including degreasing of automobile engines, industrial equipment, marine engines and bilges of boats, cooking ovens, oily tools, kitchen work benches and stoves, grease removal from clothes and even grease removal from driveways and concrete surfaces. **AVOID USING THIS PRODUCT ON ALUMINIUM.**

APPEARANCE

Light yellow water thin liquid with solvent odour.

APPLICATION

Engines, boat bilges, driveways etc. - use neat or dilute 1:1 in hot water depending on degree of grease build-up.

Work benches, stoves etc. - dilute 1 PART **EZI MULTI PURPOSE CLEANER** to 2 parts of water depending on the type of soil to be removed (more grease, lower dilution - less water).

PACKAGING

This product is alkaline and is classed as a Dangerous Goods (UN 1760 Corrosive Liquid, N.O.S.).

5 Litre, 15 Litre and 200 Litre containers.

IMPORTANT NOTICE TO CUSTOMER
