GLEAMEX PREMIUM QUALITY DISHWASHING DETERGENT

MATERIAL & FUNCTION

GLEAMEX is a concentrated detergent based on a wide range of compatible synthetic detergents with inorganic sequestering agents to soften even the hardest water.

GLEAMEX has been formulated to be delicate on hands. No drying is required, **GLEAMEX** is self-draining.

APPEARANCE

GLEAMEX is a clear yellow liquid with a fresh mint aroma.

APPLICATION

For use as a hand dishwashing liquid, the use rate is 1 part to 300 parts water, (about a tablespoon to a sink). If used to wash cars, paintwork, windows etc., the use rate will vary from 1 part to 50 parts water up to 1 part to 300 parts water, depending upon the soil to be removed.

PACKAGING

5 Litre, 15 Litre & 200 Litre containers.

IMPORTANT NOTICE TO CUSTOMER

*Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product. Determining the suitability of this product for any intended use shall be solely the responsibility of the user. **ALWAYS TEST FIRST.***
