SCOUR CLEAN

ABRASIVE POWDERED DETERGENT

MATERIAL & FUNCTION

SCOUR CLEAN has been specifically designed for hard to remove deposits from porcelain, stainless steel and most metals, but not including galvanized or aluminium surfaces.

SCOUR CLEAN is especially suited to cope with the problems of hard waters above levels of up to and above 800ppm. The product will not harm surfaces it is applied to, providing directions are followed carefully.

SCOUR CLEAN's uses:

- * Cleaning and Sanitizing hard surfaces.
- * Effective in dissolving unsightly scale and iron deposits
- * Controlling soap scale and other bathroom soils.

APPEARANCE

Free flowing white powder

APPLICATION

Sprinkle **SCOUR CLEAN** onto wet surface, then rub with a cloth or brush. Leave **SCOUR CLEAN** to act for several minutes to get effective sanitation. Then rinse thoroughly, allow to dry and then polish off.

CAUTION

SCOUR CLEAN is strongly alkaline. Rubber gloves should be worn at all times. Refer to the Material Safety Data Sheet for further information on safety, protective measures and first aid, before using the product.

PACKAGING

20 & 25 Kilogram bags

IMPORTANT NOTICE TO CUSTOMER

Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product. Determining the suitability of this product for any intended use shall be solely the responsibility of the user.

ALWAYS TEST FIRST.
