BROOK ROOM DEODORIZER

MATERIAL AND FUNCTION

BROOK is an alcohol based room deodorizer. The pleasant and long lasting residual fragrance will freshen up any area it is sprayed in.

BROOK can be used in Pubs, Hotels & Motels, reception areas, toilets, kitchens, offices, nursing homes and health care facilities, cars or households. Offensive odours will be eliminated easily and replaced with a subtle fragrance.

CAUTION

***BROOK** is highly flammable and therefore should not be sprayed near naked flames or ignition sources.*

PACKAGING

5 & 15 Litre containers.

IMPORTANT NOTICE TO CUSTOMER

*Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product. Determining the suitability of this product for any intended use shall be solely the responsibility of the user. **ALWAYS TEST FIRST.***
