LAUNDA CLEAN POWDERED LAUNDRY DETERGENT

MATERIAL & FUNCTION

LAUNDA CLEAN is a high quality rapidly dissolving small particle sized laundry powder for hand washing of clothes or top loading washing machines. It incorporates the freshness of lemon fragrance to leave clothes smelling super fresh after washing and may be used in both hot or cold water and on all types of non-woollen fabrics. It may also be used in water where the dissolved hardness is over 800ppm. The incorporation of brightening agents give whiter than white results to garments.

APPEARANCE

Finely divided light blue powder with a lemon freshness and fragrance.

USES

LAUNDA CLEAN finds application in both domestic and commercial laundries for all types of fabrics except woollens, in hard and soft water areas.

APPLICATION

Use 100-150 gms for a normal (15kg) wash load increasing quantity to 200gms for extra dirty loads or larger machines. For greasy clothes (overalls etc) add 150mls (1cup) per wash of **S21 MULTI PURPOSE CLEANER**. For commercial laundries add 250-500gms per 50kg clothes (dry weight). For specific spot and stain removal **B4 PREWASH SPOTTING SPRAY** should be applied to the garment prior to washing.

PACKAGING

4 kg, 15 kg, 18 kg, 20 kg & 180 kg containers.
