## PINNACLE TSL

### PREMIUM PENETRATING SEALER

Maximum Stain Protection

(15 YEAR WARRANTY)

## MATERIAL & FUNCTION

**PINNACLE TSL** is a premium new generation slight colour enhancing penetrating organic solvent-based sealer designed for use on dense surfaces with low porosity. This sealer will prevent permanent staining from common household items, whilst allowing the surface to retain its natural appearance.

It is environmentally friendly, and is low in VOC and employs a biodegradable solvent.

## 15 YEAR WARRANTY

When applied in accordance with the manufacturer's simple directions and specifications a 15 year warranty is provided with **PINNACLE TSL**. Terms and conditions apply. Details available on request.

## APPLICATIONS

Suitable For: Sandstone, Dense Limestone, Porcelain, Granite, Single Skin Split face Block work and porous Vitrified Tiles. (Always test first)(Must test Bluestone).

## DIRECTION FOR USE

Apply **PINNACLE TSL** using a Viton Sprayer, Environex Lambswool Applicator or soft cloth. Apply 1-4 coats with enough **PINNACLE TSL** to leave an even film on the surface. Do not allow the product to pool. When the second coat is applied, allow a minimum 2 hr between coats or when the first coat is visibly dry. Allow 2-3 hrs for the second coat to cure. To maintain your sealed surface, only neutral cleaners such as **Refresh** or **S21MPC** should be used. Do not use caustic solutions such as oven

cleaners. Applicators should be cleaned immediately with **CYCLONE**.

**Coverage:** Best results are obtained using at least two coats. A total of 1L of **PINNACLE TSL** is required to cover approx 5 square metres.

**PINNACLE TSL** should not be applied where either the ambient or the surface temperature is above 25°C or where the surface temperature of the stone is above 30°C or below 10 degrees.

## **CAUTION**

*Avoid contact with skin and eyes and avoid breathing vapour or spray mist.*

*Consult the Material Safety Data Sheet for further information.*

## **PACKAGING**

2 Litre, 10 Litre, 20 Litre and 200 Litre containers

## **IMPORTANT NOTICE TO CUSTOMER**

*Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product. Determining the suitability of this product for any intended use shall be solely the responsibility of the user. **ALWAYS TEST FIRST.***
