REDLINE TRUCK WASH

FOAMING DETERGENT

MATERIAL & FUNCTION

REDLINE TRUCK WASH is a high foaming truck wash detergent formulated for environmental foam cleaning in the car and truck industry. **REDLINE TRUCK WASH** does not contain any caustic material but is solvent enhanced using low toxicity safety solvents to assist in the removal of dirt and grease..

APPLICATION

REDLINE can be applied via the following methods

Wall foaming unit
Hydrofoamer or hand foaming unit
Trolley foamers
Manual applications – buckets etc
High pressure cleaners etc

REDLINE TRUCK WASH should be undiluted in car wash foaming machines and the feed concentration set at between 1:20 and 1:50 depending on soiling.

REDLINE TRUCK WASH should be applied and left for 30 seconds to 1 minute before rinsing off with potable water. Some soiling may require scrubbing to assist in removal. Manual cleaning requires similar rates to foam cleaning but warm to hot water is recommended for maximum effectiveness.

SPECIAL NOTE

***REDLINE TRUCK WASH** is classified as an irritant to skin and eyes. Good occupational safety practices should be adhered to such as the use of gloves and safety glasses when applying.*

PACKAGING

15, 200 Litre drums.
