### CONCRETE TRANSFORMATIONS CHARCOAL TINT

CONCRETE TRANSFORMATIONS — CHARCOAL TINT is designed to give tired old paving or concrete a new lease of life.

Simply add 1700 g of CHARCOAL TINT to a 20 litre drum of ENDURE or PRESTIGE SURFACE SEALER, stir well and apply with an ENVIRONEX LAMBSWOOL APPLICATOR and see the difference. Minimum 2 coats. See label for further instructions.

Always test first.
